FEATURED STORIES
Guthrie Recognized for Preventative Care
Guthrie Medical Group recently received the 2015 United Healthcare PATH Excellence in Patient Service Award. This award was in recognition of the quality of service Guthrie providers gave their patients in 2015. In recognition of its successful efforts with Medicare Advantage patients in particular, Guthrie also earned a quality incentive of over $300,000. Over the past year, Guthrie has successfully achieved the PATH programs performance metrics, with the majority being measured at a five star rating.

Guthrie participates in the PATH program with United Healthcare as part of our collaborative commitment to value based care and the encouragement of preventative care. This work, which is led by Kelli Morningstar in the Value Based Reimbursement team, focuses on engaging patients and encouraging them to access preventative health care services. This ultimately helps to improve patient health outcomes, and ensures patients are receiving the right care for their individual health needs. Congratulations to the whole team for this outstanding effort!

Guthrie Troy Community Hospital Achieves State First in Trauma Care
The Pennsylvania Trauma Systems Foundation (PTSF) has granted Guthrie Troy Community Hospital a Level IV Trauma Center Accreditation, making it the only Critical Access Hospital in Pennsylvania to achieve this accreditation. The accreditation goes into effect on Nov. 1. Congratulations to all involved!

PTSF is a non-profit corporation recognized by the Emergency Medical Services Act that is responsible for accrediting trauma centers in the Commonwealth of Pennsylvania. Trauma centers are hospitals with resources immediately available to provide optimal care and reduce the likelihood of death or disability to injured patients. Accredited trauma centers must be continuously prepared to treat the most serious life threatening and disabling injuries. Level IV Trauma Centers provide enhanced care to injured patients within the emergency department and focus on stabilization and quick transfer to a higher level trauma center.

In Pennsylvania there are four levels of trauma centers. To learn more about trauma center differences in Pennsylvania go to www.ptsf.org.

DON’T MISS
Epic Super User & End User Training Registration Now Open
Super User and End User Training registration is open in Guthrie Learn. Please discuss with your manager and register for your Super User and End User classes. The deadline to register for Super User and End User Training classes is Nov. 15.

The registration process is as follows:
1. Managers and staff should review the Course Catalog on the PARC Intranet site to identify classes staff should be enrolling in. Click here [http://www.guthrie.net/parc-training] to access the Course Catalog.
2. Managers should review the Learning Plans in Guthrie Learn assigned to each staff member to validate it is correct. A class can be searched for individually and added to a staff member’s Learning Plan.
3. The manager and staff member should agree on the date and time of all classes before the end user registers.

Instructions on how to register for a class in Guthrie Learn can be found on the PARC Intranet site, or click here [http://www.guthrie.net/sites/default/files/How%20to%20Register%20for%20Training%20in%20Guthrie%20Learn.pdf].

Last Chance! Sign in to Complete Wellness Incentive and Earn up to $300
The Guthrie Wellness Incentive may be one of the easiest ways around to earn $300. The wellness incentive is a cash payment to employees who take certain steps to manage their health. To claim the incentive, you must log in to your account at highmarkbcbs.com and click on “Rewards Program” on the member home screen under “Wellness Programs”.
To earn $125 through the incentive just receive a regular wellness exam including a biometric screening from a Guthrie provider. You may have already done this and just need to log in to your account at highmarkbcbs.com.

The website also allows you to complete your tobacco free attestation or provides information on how you can still earn the reward by enrolling in the Guthrie tobacco-cessation program and verify other health screenings you have received. This will earn you another $125.

If you found that easy, finish the process and complete two of the following actions for another $50: fill in your online wellness profile on the Highmark website, call a Blues On Call health coach, sign up for eGuthrie, or download a WebMD Digital Health Assistant. Find more details on the Highmark website [https://www.highmarkbcbs.com/home/].

By taking all of the above actions, you will earn $300. The program finishes on Oct. 30, so don’t miss the opportunity to complete it now! If you have questions about the program, please contact Erin Wayman, Health Plan Manager, at Wayman_Erin@Guthrie.org or by calling 570-887-6311.

TCMC Announces Integration Plan
The Commonwealth Medical College and Geisinger Health System formally announced their integration agreement on Wednesday, Sept. 28. From Guthrie’s perspective, this is welcome news for a number of reasons. Most importantly, this integration solidifies the financial foundation for the medical school in perpetuity through an amendment in Geisinger’s articles of incorporation. It also strengthens the academic resources of the medical school by augmenting the existing MD and MS programs with programs in graduate medical education, allied health professions, and additional programs in biomedical sciences. This enhances the educational opportunities for our medical students and the resources available to support Guthrie’s educational mission.

The integration maintains the distributed model for medical education of which the clinical campus at Guthrie is an important part. Since a primary mission of the medical school is to train physicians that will serve the communities in central and northeastern Pennsylvania, it is critical that the school maintains clinical campuses within these communities.

Guthrie looks forward to a long and mutually beneficial relationship with the newly formed Geisinger Commonwealth College of Medicine.

Flu Shot Reminder – All Medical Abstentions Must Be Filed By Oct. 30
The annual Guthrie mandatory employee flu shot program has begun, and more than 2,500 employees have received their flu shot so far. If you have not yet obtained your annual flu shot, please click here [http://www.guthrie.net/flu-vaccine-program] to check the schedule of flu shot clinics to find a location and date that works for you. Egg free vaccines have now arrived and are available during all flu shot clinics.

Requests for exception of the influenza vaccine for valid medical and/or religious reasons require the appropriate documentation. All forms must be completed and returned, with appropriate documentation to the Employee Health Office (EHO) by Oct. 30.

Guthrie believes that our patients have the right to assume that health care personnel will take all reasonable measures to reduce and avoid transmission of preventable diseases, including
influenza. Therefore, all employees, medical staff members, students, and volunteers must have the seasonal influenza vaccine prior to Dec. 1.

Questions regarding the vaccination may be directed to Employee Health at 570-887-2683.

Respiratory Care Week is October 24-28
This year at Guthrie Robert Packer Hospital, the Respiratory Therapists will celebrate with a "Do you know your Respiratory Therapist" crossword puzzle. The puzzle will be distributed throughout Guthrie Robert Packer Hospital for staff to try to solve. If you return the puzzle to the department you may win a prize! The team will also be choosing a local charity to participate with. Every day the staff will have educational opportunities and snacks. Make sure you remember your Respiratory Therapists this week!

A Guthrie Tribute to Veterans – Submit Your Information by Oct. 30
In honor of Veterans Day Nov. 11, Guthrie is collecting a "Tribute to the Troops" honoring employees or their family members who are serving or have served in the armed forces. This tribute will be posted on the announcements page on Guthrie’s Intranet as well as in Friday Facts on Nov. 11.
If you are an employee who has served or is serving in the armed forces or have a family member who has served or is serving and would like to be included in this tribute, please send the following information to Michelle Watkins via email to watkins_michelle@guthrie.org no later than Friday, Oct. 28:
- Name of veteran or individual serving and their rank (as it should be listed).
- Indicate whether they are an employee; or their relationship to the employee and the name of the employee.
- Branch of Armed Force and dates of service.
- If they are a POW, MIA or KIA.
If you submitted a name in the past, it will carry over to this year's tribute. You can click here to see the list.

If you have any questions, please feel free to contact Michelle at 570-887-5293.

New Vendor Requirements Coming Soon
Beginning on Nov. 1, all Guthrie vendors will be required to register and check in with RepTrax, a software system that Guthrie is now using to manage vendors. As part of the system, Vendors at all four Guthrie hospitals and the Big Flats Surgical Center will need to visit a kiosk each day that they are at Guthrie to print a badge. If you work with vendors, please help to educate them about this new system. If you see a vendor on campus that does not have a printed badge, please direct them to the nearest RepTrax Kiosk or contact the purchasing department at 570-887-5338 for details about how to properly register.

Information Services Makes Updates at RPH
During the course of the last several months, IS has worked with nurse management at all levels to determine and remediate issues experienced on several technology fronts at Guthrie Robert Packer Hospital.

Improvements include:
- Improved Wi-Fi reliability by reducing interference from other devices ad rearranging Wi-Fi antennas to ensure the best possible coverage.
• Added an antenna in the new ICU to help improve the paging coverage
• Ordered spare printers to allow quick response when a printer fails
• Ordered spare batteries from Rovers and NiceWare devices for quick replacement
• Ordered spare cordless sand corded barcode scanners
• Upgraded all standard CABs and plan to upgrade Isolation CABs as well.

Information services would like to thank nursing staff for partnering to help improve technical offerings. Please continue to share your feedback about technology related issues so that IS can continue to make meaningful changes to meet the needs of Guthrie staff and patients.

**Guthrie Robert Packer Hospital Auxiliary to Host Linen Sale**
The Guthrie Robert Packer Hospital Auxiliary will be hosting a Geneva Linen sale on Thursday, Nov. 10 from 8 a.m. - 5 p.m. and Friday, Nov. 11 from 7 a.m. - 3 p.m. in the Guthrie Robert Packer Hospital cafeteria. There will be Quilt Sets from $49.95, Sherpa Throws for $29.98, Sherpa blankets from $59.95 - $64.95, Sheets sets 900 Series $40 or 3 for $110 and1200 Series sheets for $45 or 3 for $120. Sheet sizes are Twin, XL Twin, Full, Queen, King and California King. Bamboo memory pillows for $25 - $30. These make fantastic holiday gifts.

**Fidelity Offers Additional Dates**
Fidelity is offering more one-on-one sessions for Guthrie employees, except for Guthrie Towanda Memorial Hospital employees who are not yet receiving Fidelity retirement services and Guthrie Corning Hospital collective bargaining unit. Click here to see a list of upcoming dates in Sayre, Troy, Owego, Vestal, Southport and Ithaca. To schedule a complimentary one-on-one appointment, call 1-800-642-7131 or register online at www.fidelity.com/atwork/reservations.

**More Great Guthrie Employee Discounts**
Organizational development has added new discounts for Guthrie employees and volunteers, including one for a Journey Fitness 21 Day Challenge discount for Sayre, Elmira and Ithaca locations. Registration for the challenge ends Oct. 24. Click here [http://guthrie_notes.guthrie.net/WWW/announcements.nsf/38EFA414F1B337C7852576F10058175F](http://guthrie_notes.guthrie.net/WWW/announcements.nsf/38EFA414F1B337C7852576F10058175F) to view these and other great discounts.

**Shuttle Bus Reminder for Sayre Campus**
Please remember that for safety reasons the employee shuttle bus is prohibited from stopping on the ramp once they have proceeded forwarded past the passenger loading point. If you are exiting via the 3rd Level Sumner hallway, please be sure to push the shuttle button just before the administrative offices to make the shuttle drivers aware that you’re in the immediate area. Thank you for your understanding. If you have any questions, please contact Cathy Leal, Manager, at 570-887-4241.

**There is Still Time to Thank a Veteran**
As part of Guthrie’s recognition of Veteran’s Day in November, a “Thank a Veteran” form is now available for staff. Click here [http://www.guthrie.net/thank-veteran](http://www.guthrie.net/thank-veteran) to submit your word of thanks to a Guthrie veteran. The messages will be compiled and sent to Guthrie’s Veterans on Veteran’s Day. Please submit your thank you notes before Nov. 1.

**New Weight Watchers Session in Sayre - Starts Thursday, Nov. 3**
Start your journey today! A new session of Weight Watchers Beyond the Scale/Smart Points will run on Thursdays from Nov. 3 to Dec. 15 (6 sessions) in the Patterson Building, Nursing Lecture Room at the Guthrie Sayre Campus. Meetings will be at 5:15 p.m. At least 15 members are needed for the group to become a reality. Cost is $60 prepaid per person (Visa, Master Card, Cash or Check) Weekly weigh in and meeting will take about 30 minutes of your time. We kindly request that you register in advance to ensure materials are available for all members. If you want to take part, please email Claudia Chacona at cchacona@stny.rr.com.

Guthrie to Host Breast Cancer Seminar
Guthrie will host a free community seminar on breast cancer screening, management and treatment on Wednesday, Oct. 26. The seminar will be held from 5 – 6 p.m. at the Hilton Garden Inn at 35 Arnot Road in Horseheads. Presenters Dr. Geneva Ballard and Dr. M. Firdos Ziauddin will discuss the importance of screenings, breast management and breast cancer treatment options for all women.

Appetizers and refreshments will be provided. This is a free event but registration is required. Visit www.guthrie.org/breastcancerawareness to register.

There is Still Time to Enter Safety Circle Poster Contest for All Employees
The Guthrie Robert Packer Hospital Safety Circle is having a safety poster contest that is open to all Guthrie employees. The contest theme is "You see something, you say something." To enter, draw a picture showing a potential safety hazard and/or how to report it. The poster should be 8 1/2" x 11" and the deadline for submissions is Nov. 1. Entries can be mailed to Kevin VanHorn in the Safety and Security team at Guthrie Robert Packer Hospital. The first-place winner will receive a $40 gift certificate to MURPHs Mart, and the second-place winner will receive a $20 gift certificate to MURPHs Mart. If you have questions, please contact Kevin at 570-887-6435.

Volunteer Services Seeking Paper Clips
Volunteer Services at Guthrie Robert Packer Hospital is in need of small and large paper clips. The Volunteer Services Department does many jobs for departments throughout the Sayre campus that require paper clips. If you to have any extra small or large paper clips in your area, please send them to Volunteer Services on 5 Sumner.

GUTHRIE NEWS MAKERS
Guthrie Accepts American Legion Donation
Sayre American Legion Post 283 donated proceeds from their annual golf tournament, held July 2 at Tomasso's, to create the new Veteran Patient Assistance Fund at Guthrie. The fund assists Veterans who are current Guthrie patients, and their immediate family members, with unmet financial burdens resulting from serious or chronic medical conditions for which they are receiving care at Guthrie. Thank you to the American Legion for this generous donation.

Employee of the Year Recognized at Guthrie Corning Hospital
Roy Turner is the recipient of the 2016 Employee of the Year Award for Guthrie Corning Hospital presented at the Sixty-second Annual Service Awards Banquet. Roy works in the Emergency Department and has been with the hospital for 37 years. He received the award after numerous Shining Start awards from patients and their families. He was recognized for engaging each patient with kind, respectful, encouraging words and for keeping family members comfortable and informed. Roy makes each patient his number one priority and demonstrates unfailing compassion. Congratulations to Roy on this well-deserved honor.

Approximately 130 employees and retirees attended the banquet that was held at the Corning Radisson Hotel. The night started off with an introduction by Philip Roche, Board Chairman, a welcome by Garrett Hoover, SVP, President/COO and then on to dinner, award presentations and a powerpoint presentation.

**Guthrie United Way Campaign Kicks Off**
The Annual Guthrie United Way campaign began Oct.17 and will run until Nov.1. Guthrie employees are already showing their support by donating to their local United Way or other charities close to their heart. If you have donated to the United Way, come and trick or treat with us every day from Oct. 24- Oct. 28 between the hours of 11a.m. – 1 p.m. in front of the Guthrie Robert Packer Hospital cafeteria and grab a treat.

Donors to the United Way not based on the Sayre campus, will receive a treat delivered to their site. Check out the two Boo-tiful gift baskets at the cafeteria and online that everyone who donates is entered to win!

Want to join your fellow employees and support the great work the United Way does in your community, but have just been too busy? No problem! Paper pledge cards will be available at our trick or treat table in Sayre, or click here to print a pledge card, or visit the online giving portal to make your donation today.

Please email UnitedWayCoordinator@guthrie.org or for more information or call 570-887-4420. Thank you for your help in supporting our community by making a gift to this year's United Way Campaign!

**Guthrie Troy Community Hospital Auxiliary Celebrates 60 years of Service to the Hospital and Community**
Times have changed as has the hospital location, but the purpose of the Guthrie Troy Community Hospital Auxiliary remains the same after 60 years: to assist the Troy Community Hospital in any way possible. They recently celebrated this milestone anniversary with a special membership luncheon on Tuesday, Sept. 27. Special effort was made to include the many people who served as presidents over the first 60 years of the Troy Community Hospital Auxiliary. There were 40 guests in attendance at the luncheon, including several past auxiliary presidents.

The hospital auxiliary began six decades ago when a group of Troy ladies saw a need to help the hospital with the purchase of “extras” not in the hospital budget. The first president was Marion Ballard, and that first year the membership totaled 80. Since then, the list of auxiliary contributions has continued to grow, and its purchases have kept up with the changing times.
One early project involved the sewing of draperies; a recent project was the purchase of Martii, a translation machine used in the ER.

The Auxiliary has done many projects over the years to benefit the hospital. For many years the auxiliary has organized and sponsored a summer concert and ice cream social event on Davison Green. This social is enjoyed by many, and in addition to benefiting the auxiliary coffers, it is an event that brings the community together for a night of good times and fellowship.

In addition to the ice cream social, the Auxiliary continues to conduct several fundraisers throughout the year: jewelry and accessory sales, linen sales, and the ever-popular flower sales: poinsettias before the Christmas holiday season, and hanging baskets before Mother’s Day.

PHOTO CAPTION: Singer Martha Kress provided entertainment during the 60th Anniversary luncheon.

Best Wishes to Dr. Zala on His Retirement
Dr. Jasvantsinh J. Zala will retire on Oct. 31 after sixteen years of service as an anesthesiologist at Guthrie Corning Hospital. During his time there, Dr. Zala served on a number of committees including the anesthesia, ER, bylaws, and ethics committees. He also served as the Chief of Anesthesiology in Corning from 2005 - 2008. Congratulations and best wishes to Dr. Zala.

Guthrie Provider Appears in Special Today Show Segment for Breast Cancer

Guthrie Wound Care Teams Recognizes Diabetes Month
The Wound Care Centers at Guthrie Robert Packer Hospital and Guthrie Corning Hospital are getting ready for Diabetes Awareness Month by educating local physicians and patients about the treatment of potential or existing chronic wounds for people also suffering from diabetes.

Diabetes Awareness Month, which is celebrated throughout the month of November, aims to raise awareness of diabetes and its complications. There are approximately 29.1 million people living with diabetes in the United States, and nearly 28 percent are undiagnosed. Of those 29.1 million, about 25 percent will eventually develop a foot ulcer. Left untreated, these ulcers can impair quality of life and may lead to amputation. In 2010, 60 percent of non-traumatic lower-limb amputations occurred in adults 20 years and older with diagnosed diabetes.

The Wound Care Centers at Guthrie Robert Packer Hospital and Guthrie Corning Hospital offer advanced therapies to patients suffering from chronic wounds like diabetic foot ulcers. The Wound Care Centers feature hyperbaric oxygen chambers, and special treatment rooms for in-house procedures, such as debridement. These specialized wound care therapies can aid in wound closure, new tissue growth, wound tissue regeneration and much more.

**Guthrie Announces Senior Director of Cardiovascular Service Line**
Michael Hildebrandt has accepted the position of Senior Director for the Cardiovascular Service Line. Mike has been working as the Manager of Non-Invasive Testing Services since 2011 and more recently has been serving as the interim Senior Director since July 2016. Congratulations to Mike on this new role.

**Guthrie to Host Shine a Light Event**
Guthrie will host a “Shine a Light on Lung Cancer” dinner on Thursday, Nov. 17 at 5:30 p.m. at the Best Western, 225 Spring St. in Sayre, Pa. Community members and all those affected by the disease including survivors, current patients and loved ones are invited to attend this free event.

Each year more Americans die from lung cancer than any other major cancer – breast, prostate, and colon combined. Lung cancer accounts for 30% of all cancer related deaths and yet it is the least funded in terms of overall research dollars. As a result, only 15% of those diagnosed with lung cancer live longer than five years.

Guthrie’s Shine a Light on Lung Cancer event will raise awareness of lung cancer and offer hope, inspiration, support and remembrance for all those touched by the disease. Guthrie Cancer Center will offer a series of brief presentations which highlight advancements in lung cancer screening and treatment. A special ceremony will also take place to offer a tribute to those who have been affected by this disease.

For more information, contact Jen Chrysler, MSN, RN, OCN, Lung Cancer Nurse Navigator at the Guthrie Cancer Center at (570) 887-2723. Advance registration is requested by calling the Guthrie Cancer Center or visiting shinealightonlungcancer.org.

**Candy Raffle Winner Announced**
The Guthrie Robert Packer Hospital Auxiliary thanks all who purchased candy during their candy sale on October 14. The Auxiliary raised $939.61 during the sale. Congratulations to raffle basket winner Heather Mullens!

PHOTO CAPTION: Heather Mullens won the raffle basket from the Guthrie Robert Packer Hospital Auxiliary candy sale

**More Fun at Guthrie Towanda Memorial Hospital Skilled Nursing Unit**
Residents of the Skilled Nursing Unit at Guthrie Towanda Memorial Hospital enjoyed a relaxing time listening to the harp played by Ted Davenport earlier this month.

**EVENTS ACROSS THE GUTHRIE SYSTEM**
Heartwise Seminars - Seminars will offer education on a variety of cardiovascular topics as well as free blood pressure checks, education and door prizes. Dates and topics include: Oct. 25 at Radisson Hotel Corning in Corning, N.Y.; Oct. 26 at Hotel Ithaca in Ithaca, N.Y.. To register for any of these seminars, please call 570-887-6720.
Guthrie Robert Packer Hospital Auxiliary to Host Dinner Event
The Guthrie Robert Packer Hospital Auxiliary will be holding a dinner for their members on Tuesday, Oct. 25 at 5:30 p.m. in the Patterson Auditorium. Sayre campus employees are welcome to attend this dinner at no cost if you have an interest in joining the Auxiliary. A new member special will be available that night. Please RSVP by Oct. 19 to Debbie Thompson at 570-887-4702 or thompson_debbie@guthrie.org.

10th Annual Sayre Turkey Trot - Thursday, November 24, Thanksgiving. Early bird registration is open until Sept. 30, and runners can pre-register online for just $20 for individual runners or $18 per person for teams. You can register online at www.sayreturkeytrot.com.

Diabetes Health Fair
Guthrie will be taking part in the 5th annual Southern Tier Diabetes Coalition Health Fair on Saturday, Oct. 22 from 11 a.m. until 3 p.m. at the Arnot Mall in Horseheads, N.Y.
