Donald Guthrie
Distinguished Provider Award

As part of the Guthrie Medical Group's (GMG's) commitment to provide healthcare "***Where compassion and excellence come together to make a meaningful difference in the lives of those we serve. Every person. Every time***," GMG Administration and the Reward and Recognition Committee of the Guthrie Medical Group wish to recognize providers who epitomize this mission. In order to accomplish this, the committee is providing an opportunity for all coworkers and patients to nominate a Guthrie provider who has gone beyond the standard of care to provide outstanding service that has made a meaningful difference to Guthrie and/or to the patients we serve.

Please tell us your story

The Reward and Recognition Committee would very much appreciate it if you would take a few minutes to write down the story about the care you have received or care you have witnessed from one of Guthrie Medical Group's providers (this can be a physician, physician assistant, nurse practitioner, midwife, optometrist, PT, OT, dietician or other clinician) who you feel went above and beyond expectations and therefore made a significant impact. You can use as few or as many words as you would like to tell this story. Feel free to do this anonymously or to sign the form. In either case our committee will collect all the stories and use criteria we have developed to recognize the individual who best exemplifies the Guthrie commitment to outstanding care. During the selection process, the names of the nominees are removed from the form and the "blinded" letters are reviewed by the committee.

Please send your nomination to - Reward & Recognition Committee, Attn. Tricia Schamel, Guthrie Medical Group, One Guthrie Sq., Sayre PA 18840 by September 13, 2019 or e-mail your story to tricia.schamel@guthrie.org or drop off in GMG regional offices, or in the box on the desk in the Atrium lobby.

Signature _____

Please feel free to use additional sheets to tell your story. This award will be presented at the GMG Awards Banquet on October 24, 2019.
