

OSHA VPP Fact Sheet

*What is the OSHA Voluntary Protection Program or VPP?

VPP is a partnership between business and OSHA

*Robert Packer Hospital has been an OSHA VPP Star site since 2005

*What are the benefits of VPP?

Safer workplace, reduced employee injuries, improved morale, employees involved in the safety process

*What are the elements of VPP?

Management Commitment / Employee Involvement

Worksite Analysis

Hazard Prevention and Control

Safety and Health Training

*How can I get Involved?

Be Aware of your work environment. Reports Hazards to your manager or supervisor or on the Guthrie Intranet site under "Safety"

As one of only 6 hospitals in the country VPP certified, we are proud to continue our partnership with OSHA. We will be welcoming OSHA back in April 18th - 19th for our 3-year recertification visit.

Brought to you by the RPH **Safety Circle**
